PANASONIC KX-DT500 SERIES DIGITAL TELEPHONES

Comprehensive features, intuitive technology and a user-friendly interface all come together in our innovative range of digital handsets - ensuring a superior level of desktop usability and comfort.

These telephones offer superb voice quality, thanks to full duplex hands-free speakerphone and integrated headset port.

The sleek, ultra-modern design, available in both black and white colour options, works well with any office decor. Ergonomically designed with features and functions to enhance users' daily productivity, they're ideal for many applications, including contact centres and hotel rooms, through to advanced desktop applications supporting a range of wired and DECT headsets, thanks to the EHS connection.

LCD display

Large, clear LCD display with intuitive user interface offers fast access to phonebooks and features.

Electronic Hook Switch

A built-in Electronic Hook Switch (Plantronics compliant) port allows the KX-DT543/KX-DT546 digital terminals to have access to the Plantronics range of DECT-enabled headsets. This offers a range of portability and comfort, as frequent users are able to move around freely, without being tied down by handsets.

FROM STANDARD PHONES TO EXECUTIVE TERMINALS, THE RANGE ADDRESSES ALL OFFICE REQUIREMENTS.

Large, clear and backlit LCD display

EHS connector - Available on KX-DT546 and KX-DT543

48 Keys DSS Console for operator-type users
